Purpose of This Schedule—This schedule is to be used by corporations that are required to file a mandatory nexus consolidated return in order to determine the loss limitation. It is also to be used by corporations filing a separate entity return, an elective consolidated return or mandatory nexus return to track the NOL carryforward.

The includible corporations of the mandatory consolidated nexus return that have earned a net operating loss shall not deduct an amount that exceeds, in the aggregate, 50 percent of the income realized by the remaining includible corporations that did not realize a net operating loss.

Part I—Mandatory Nexus Consolidation

General Instructions—This is only for mandatory nexus returns filed in accordance with KRS 141.200(8-14).

The 50 percent limitation, net operating loss(es) and net operating loss carryforwards are determined prior to the application of the apportionment factor. If one or more of the "includible corporations" brings an NOL carryforward to the mandatory consolidated group, the common parent may make an irrevocable election to carry all NOL carryforwards as an apportioned NOL. Otherwise, the NOL carryforward for each member of the consolidated group must be recomputed to a preapportioned amount.

An "includible corporation" that brings its NOL carryforward from another consolidated group will determine its NOL based upon Section 1502 of the Internal Revenue Code and related regulations, adjusted for differences between KRS Chapter 141 and the Internal Revenue Code.

Any NOL carryforward is utilized first in meeting its 50 percent limitation.

Section A—Enter the name and Kentucky corporation account number of the common parent and includible subsidiaries.

Column A—Enter only Kentucky net income of includible corporations, from Schedule KCR (Form 720), Line 19.

Column B—Enter only Kentucky net losses of includible corporations, from Schedule KCR (Form 720), Line 19. **Enter as a positive amount.**

Line 3—Enter the totals for Column A and Column B. Column B should reflect a positive amount.

Line 4—This is the limitation provided by KRS 141.200(11)(b).

Line 5—Enter the prior year NOL carryforward as a positive amount.

Line 7—The amount on Line 7 is the amount of the net operating loss(es) of the includible corporation(s) that exceeds the 50 percent loss limitation. It is an addback in computing Kentucky net income and is entered on Form 720, Part I, Line 18. If an amount is entered and income tax is paid, skip to Section B, Line 1. If Line 3, Column B is less than Line 4, Column A, leave blank and go to Line 8.

Line 8—If Line 4 is greater than Line 3, Column B, enter the lesser of **this difference** or Line 5. (**This difference** is Line 4 less Line 3, Column B.) Otherwise, leave blank. This is the amount of additional loss(es) from the includible corporation(s) that can be used to meet the 50 percent loss limitation. It is a deduction in computing Kentucky net income and is entered on Form 720, Part I, Line 18, as a negative amount.

Taxable Net Income Equivalent (TNIE)

If the AMC tax is paid, it is necessary to compute the TNIE of the AMC.

The TNIE equivalent for the AMC tax of \$6,000 is \$121,429

1. First \$50,000 is taxed at the 4% rate = \$2,000
2. The next \$50,000 is taxed at the 5% rate = \$2,500
3. The tax for the first \$100,000 = \$4,500.
4. $(\$6,000 - \$4,500) / 7\% \text{ rate} = \$21,429$.
5. $\$100,000 + \$21,429 = \$121,429$.

If the corporation is filing a nexus consolidated return divide the TNIE by its apportionment factor from Schedule A, Apportionment and Allocation.

If the TNIE exceeds taxable net income, then no NOLD is used.

Line 9—Enter the following: if the AMC tax is greater than the regular income tax, (1) calculate the TNIE of the alternative minimum calculation; (2) divide it by the apportionment factor; (3) subtract it from the net income on Form 720, Part I, Line 17, if Line 18 is a negative amount, or subtract it from Line 19 if Line 18 is a positive amount. If the TNIE is greater than the net income on Form 720, Part I, Line 17 or Line 19, enter -0-.

Net income is defined as Form 720, Part 1, Line 17 if Line 18 is a negative amount or Line 19 if Line 18 is a positive amount.

Line 10—Only enter if the AMC tax is paid and an amount, other than zero, is entered on Line 9. Add Line 3, Column B and Line 9.

Section B (Complete only if there is a prior year NOL and/or current year loss adjustment.)

Current year loss disallowed is the amount of Kentucky losses from Line 3, Column B that are disallowed due to first using prior year NOL carryforward(s) to meet the 50 percent limitation. It is available for carryforward.

AMC Tax Paid and TNIE is Greater Than Net Income—If Line 4 is greater than or equal to Line 5, enter the amount of Line 3, Column B minus (Line 4 minus Line 5); however, if an amount is on Line 8 and Line 3, Column B is greater than Line 5, enter Line 5.

or

If Line 5 is greater than Line 4, enter the lesser of Line 3, Column B or Line 5 unless Line 3, Column A is less than Line 3, Column B, then enter Line 3, Column B.

If the TNIE is greater than net income, enter -0-.
